

THE HAMER SCHOLARSHIPS PROGRAM

SCHOLARSHIPS FOR IN-COUNTRY LANGUAGE STUDY IN CHINA, INDONESIA, JAPAN OR KOREA

The Hamer Scholarships offer Victorians the opportunity for language study and cultural engagement with the dynamic and exciting markets of China, Indonesia, Japan or Korea.

These four leading world economies are making a significant contribution to Victoria's cultural diversity and economic prosperity. Live and study in China, Indonesia, Japan or Korea and improve language skills and cultural understanding; develop business and people-to-people networks; and contribute to Victoria's international engagement.

- Hamer Scholarships are valued at \$10,000 for language study in China or Indonesia and \$15,000 for language study in Japan or Korea
- The scholarships are offered for a minimum of one semester or 5 – 6 months study at selected universities or institutions
- Application rounds open from February to March each year
- The program is open to Victorians aged 21 or above who are Australian citizens or permanent residents (Victorians living and working in-country may be considered).
- The scholarships are primarily aimed at Victorians working in the public, private, not-for-profit and creative and academic industries
- Applicants should demonstrate how the scholarship would significantly benefit their business, career path, study plan, or their employer's current or future engagement with China, Indonesia, Japan or Korea
- Scholarship recipients will become business, cultural and educational representatives for Victoria
