Once you are open

Checklist for staff

- Wash your hands thoroughly with soap and water for at least 20 seconds at minimum:
  - on arrival at work
  - before handling food
  - after smoking, coughing, sneezing, blowing their nose, eating or drinking, and using the toilet
  - after touching hair, scalp, mouth, nose or ear canal
  - after handling rubbish and other waste
  - after handling money or bank cards
  - before and after cleaning; and
  - before and after removing gloves (if used).

- Do not come to work if you have a fever (a temperature of 37.5°C or greater), or if you have any symptoms

- If you have symptoms, get tested for coronavirus (COVID-19). Stay in isolation at home until you get the result and it is negative for COVID-19

- You are encouraged to complete the Staff Coronavirus (COVID-19) Health Questionnaire before every shift and provide to the shift manager for recordkeeping

- Be rigorous in maintaining the new cleaning and sanitising schedule (for example, touch points such as tables and counters need to be cleaned and sanitised before and after use by customers).
