A & J Australia Pty Ltd

Contact: Andrew Yu, Director
M: 0416 136 283 | T: 9318 0886 | E: ajaus@bigpond.com | W: www.ajaustralia.com.au
A: 6-10 Westside Drive, Laverton North VIC 3026

Description:
A&J Australia started out in 1993 with a small warehouse in Tullamarine, Victoria distributing toiletries, cleaning products and packaging to the hospitality and food industries.

The company’s growth was rapid and a larger premise was sort in Laverton North. In December 2004 the company had a vision in the rigid packaging industry and acquired its first robotic blow-moulding machine.

Today A&J Australia’s culture in technology and other investments has seen the company grow as a major supplier of rigid and flexible packaging materials, packaging machines, disposable items, cleaning products, and toiletries.

Their range of state-of-the-art robotic machines consistently manufacture oil and chemical containers to the highest world standards of packaging.

Product (shape, material, size): Manufactures 5 litre, 1 litre and 500ml bottles.
BEV Plastics Pty Ltd

Contact: Gandhi Bevinakoppa
A: 27 Macbeth Street, Braeside VIC 3195
