Agriculture Energy Investment Plan
How to apply for an On-Farm Energy Tier 2 Grant

Process

Go to [www.agriculture.vic.gov.au/agenergy](http://www.agriculture.vic.gov.au/agenergy), read the guidelines, fill in the application form and attach your on-farm energy assessment, and at least one itemised quote for everything being requested in the application.

You will receive an acknowledgement email when you submit your application as well as an email notifying you of your application’s outcome.

If successful, you undertake your project within twelve (12) months*.

You provide evidence of the project’s completion.

You receive grant funding.

The Victorian Government will provide grants of $50,000 to $250,000 (excluding GST) for up to 50 per cent of the project cost.

Only online application forms will be accepted (hard copy applications will not be accepted). Applicants should be provided with notification of their application outcome within 12 weeks (if the documentation provided is sufficient to make assessment).

What documentation will be required for the application?
