Sources: International Visitor Survey (IVS) and National Visitor Survey (NVS), published by Tourism Research Australia, year ending March 2019.

Data is considered correct at the time of publishing.

**Data notes and definitions:**

Improvements in the NVS methodology has resulted in a break in series. Please use caution when comparing 2019 results with previous time periods and releases. For further information on methodology changes and impacts refer to the Tourism Research Australia NVS Methodology.

All growth rates noted are year-on-year percentage changes. Visitors are classified together under the following experience categories if they nominate that they have participated in at least one of the following activities whilst on a trip.

**Nature-based experiences:** visit national/state parks; botanical or other public gardens; go whale or dolphin watching; go bushwalking or on a rainforest walk; go scuba diving; snorkelling; visit wildlife parks / zoos / aquariums.

**Cultural experiences:** attend theatre / concerts or other performing arts; visit museums or art galleries; visit an art or craft workshop or studio; attend festivals, fairs or cultural events; visit history,itage buildings sites or monuments.

**Event experiences:** attend festivals, fairs or cultural events; attends an organised sporting event.

Factsheet produced by the Tourism Events and Visitor Economy (TEVE) Research Unit, July 2019

Data notes and definitions:

Improvements in the NVS methodology has resulted in a break in series. Please use caution when comparing 2019 results with previous time periods and releases. For further information on methodology changes and impacts refer to the Tourism Research Australia NVS Methodology.

All growth rates noted are year-on-year percentage changes. Visitors are classified together under the following experience categories if they nominate that they have participated in at least one of the following activities whilst on a trip.

To note: these categories are not mutually exclusive and visitors may fall into one or more experience categories. International visitors to Victoria have undertaken the activity whilst on a trip to Australia, not necessarily in Victoria.

Food & wine experiences: visited a winery; visit breweries or distilleries; visit farmgates; visit food markets (not included in the IVS).

Winery experiences: visited a winery.

Aboriginal experiences: experienced Aboriginal art, craft or cultural displays; visited an Aboriginal site or community; attended an Aboriginal performance (included in the IVS only).
