Melbourne's Top Attractions

Results for the year ending June 2019

1. Melbourne's Top Attractions

3. To note: All growth rates noted are year-on-year percentage changes.

4. Total visitors include both domestic and international overnight visitors and may include those that have visited the place/attraction on a day trip (this does not include local visitors).

5. Improvements in the NVS methodology has resulted in a break in series. Please use caution when comparing 2019 results with previous time periods and releases. For further information on methodology changes and impacts refer to the Tourism Research Australia NVS Methodology.

6. This information is based on survey data estimates and may differ to the results of individual attractions that monitor gate entry numbers. Only a non-exhaustive list of attractions/places are included in the survey (this is not based on an open-ended question).

7. Factsheet produced by the Tourism, Events and Visitor Economy (TEVE) Research Unit, October 2019.

8. Due care is taken in the production of this factsheet, however DJPR accepts no responsibility for use of this information.

9. Figures may not add due to rounding.
