Small Business Digital Adaptation Program

Program summary

On 13 September 2020, the Victorian Government announced the Small Business Digital Adaptation Program, a $20 million initiative to help Victorian sole traders, micro and small businesses adapt to a digital operating environment. The program is open to Victorian businesses from all industry sectors and places are limited.

Businesses must register for this program online via the Business Victoria website. Registered businesses may then access selected products for trial and view the workshops and training calendar.

Registered businesses can attend free digital adaptation workshops offered via the Business Victoria website. Workshops will be delivered across Victoria in face-to-face (subject to COVID restrictions) and online formats.

Registered businesses can trial the digital products on offer via the Business Victoria website. Available digital products include online website, e-commerce, finance and business management tools.

Registered businesses must purchase a digital product available under this program before applying for a program rebate.

Registered businesses will be invited to apply for a rebate and will be asked to provide evidence of purchase.

Applicants will be contacted six weeks after applying for a rebate to ensure their business has established product use and begun its digital adaptation journey.

Applicants who confirm continued use will receive a purchase rebate of $1,200 to cover 12 months’ access to their chosen product. Businesses will pay the ongoing costs of access to their digital product after fully utilising the rebate.

How the program works

Businesses that participate in this program will progress through three key steps:

Step 1 – Register for the program to participate in product trials and workshops
Step 2 – Sign up for their preferred digital product available under this program
Step 3 – Apply for a purchase rebate of $1,200\(^1\) to cover 12 months’ free access.

\(^1\) Purchase rebate is equivalent to at least 12 months’ access to a mid-range digital product available under this program. Access costs for foreign currency and sales percentage products will vary depending on exchange rates and use.
1  **Step 1 – Register for the program to participate in product trials and workshops**

1.1 Businesses must register to participate in this program.

1.2 Businesses will complete an online registration at the Business Victoria website, that will ask questions relating to program eligibility.

1.3 Businesses will receive an email confirming their registration that provides a dedicated Business Victoria website link. This page will include the digital products available for trial and a training and workshops calendar.

1.4 Registered businesses can trial digital products, including online website, e-commerce, finance and business management tools. Available products are offered through the selected digital product suppliers listed on the Business Victoria website (business.vic.gov.au).

1.5 An initial suite of products for trial will be available from 15 November 2020. More products for trial may be added to the Business Victoria website over time.

1.6 Registered businesses can trial products between 15 November 2020 and 28 February 2021. Products can be trialled free for up to one month, depending on the trial offered by each supplier.

1.7 Registered businesses can participate in free digital adaptation workshops and seminars shown in an events calendar available at the Business Victoria website.

1.8 Workshops will be delivered online and face-to-face (subject to COVID restrictions) from 15 November 2020 until 31 March 2021. Businesses will need to register for workshops of their choice.

1.9 Product specific support and training will be provided by participating digital product suppliers.

2  **Step 2 – Sign up for their preferred digital product available under this program**

2.1 Businesses must register at Step 1 before purchasing a digital product.

2.2 Registered businesses must purchase a digital product available under this program before applying for a purchase rebate.

2.3 Inclusions in the product purchase (example: number of licences) will vary between digital products and suppliers.

3  **Step 3 – Apply for a purchase rebate of $1,200 to cover 12 months’ free access**

3.1 Businesses that have registered at Step 1 will be invited to apply for a purchase rebate from 1 December 2020.

3.2 Businesses must complete an online application for a purchase rebate of $1,200 to cover 12 months’ access to an available digital product.
3.3 Evidence of an available product purchase will be required at the time of application for a rebate.

3.4 All application form questions must be completed to ensure timely assessment.

3.5 Businesses will be notified of the outcome of their rebate application by email.

3.6 Businesses will be contacted six weeks after applying for a rebate to confirm they have begun to adapt their business to a digital operating environment and established product use.

3.7 The Victorian Government will pay the business within ten working days of receiving its confirmation of continued product use.

3.8 Businesses will pay the ongoing costs of access to their digital product after fully utilising the rebate.

3.9 Rebate applications will be open from 1 December 2020 until 11.59pm on 31 March 2021, or until funds are exhausted.
